

## TUTORIAL -1

**Aim: - Understand SDLC and STLC Phases for a Real-World Software Project and Identify Testing Activities Performed During Each Development Stage.**

**Description :**

**Problem Statement :**

**Implementation Details :**

| Parameter            | Details |
|----------------------|---------|
| Project Name         |         |
| Application/Software |         |
| Module Name          |         |
| SDLC Model           |         |
| Programming Language |         |

|                 |  |
|-----------------|--|
| IDE/Tool Used   |  |
| Input/Test Data |  |

**Source Code :**

**Test Case Detailed :**

| Field                                      | Details |
|--------------------------------------------|---------|
| Test Case ID                               |         |
| Requirement ID                             |         |
| Module Name                                |         |
| Feature Under Test                         |         |
| Test Scenario                              |         |
| Test Objective                             |         |
| Test Type<br>(Unit/Integration/System/UAT) |         |
| Test Technique (Black Box/White Box)       |         |
| Priority                                   |         |
| Severity                                   |         |
| Preconditions                              |         |
| Postconditions                             |         |
| Test Environment                           |         |

|                                   |  |
|-----------------------------------|--|
| <b>Browser/OS (if applicable)</b> |  |
| <b>Test Data</b>                  |  |
| <b>Expected Result</b>            |  |
| <b>Actual Result</b>              |  |
| <b>Status (Pass/Fail)</b>         |  |
| <b>Executed By</b>                |  |
| <b>Execution Date</b>             |  |

**Test Case Execution :**

| <b>Step No.</b> | <b>Test Steps</b> | <b>Input</b> | <b>Expected Result</b> | <b>Actual Result</b> | <b>Status</b> |
|-----------------|-------------------|--------------|------------------------|----------------------|---------------|
|                 |                   |              |                        |                      |               |
|                 |                   |              |                        |                      |               |
|                 |                   |              |                        |                      |               |
|                 |                   |              |                        |                      |               |
|                 |                   |              |                        |                      |               |
|                 |                   |              |                        |                      |               |

|  |  |  |  |  |  |

### Testing Activities Performed

| Sr. No. | SDLC Phase | STLC Phase | Testing Activity | Deliverable/Artifact |
|---------|------------|------------|------------------|----------------------|
| 1       |            |            |                  |                      |
| 2       |            |            |                  |                      |
| 3       |            |            |                  |                      |

|   |  |  |  |  |
|---|--|--|--|--|
| 4 |  |  |  |  |
| 5 |  |  |  |  |
| 6 |  |  |  |  |
| 7 |  |  |  |  |

**Observation :**

| Sr. No. | Observation | Remarks |
|---------|-------------|---------|
| 1       |             |         |
| 2       |             |         |
| 3       |             |         |
| 4       |             |         |
| 5       |             |         |

**Output :**

**SILVER OAK  
UNIVERSITY**  
EDUCATION TO INNOVATION
